Damon's Tavern Hosts "This is Our Youth" Cast Party

"This is Our Youth" by Kenneth Lonergan opened at Playhouse on Park on Thursday, May 27th. The cast and crew were treated to an Opening Night celebration compliments of Damon's Tavern in Hartford. The staff at Damon's provided a delicious assortment of food, drink and a private area to relax and revel in the shows success. Party-goers included members of the play's cast and crew as well as members of the Playhouse on Park staff and board. "This is Our Youth" takes an unblinking portrait of young urban life in the 1980s. Kenneth Lonergan's lacerating look at affluent young Manhattanites depicts two days in the lives of three very lost souls in the big city at the dawn of the Regan Era. The play runs at Playhouse on Park through June 5th. For more information visit www.playhouseonpark.org
