

**Playhouse on Park Theatre Covid-19 Policy for
The Amazing Adventures of Dr Wonderful & Her Dog!**

In order to ensure we can continue to produce theatre in the safest manner possible, Playhouse Theatre Group, Inc. has implemented the following Covid-19 Policy for the first Theatre for Young Audience production of the season: Dr Wonderful & Her Dog. We will re-evaluate the policy ahead of the Spring production of Dandelion.

Per the Town of West Hartford Indoor Mask Mandate: All patrons, volunteers, vendors, staff members & production crew must be masked at all times. Masks must cover both mouth and nose. Performers (actors & musicians) are exempt from wearing masks only while on stage during performances.

Playhouse on Park requires all patrons (12 and older) to be fully vaccinated*. A vaccination card along with a Government Issued ID will be required in order to attend Dr. Wonderful. Patrons between the ages of 12 - 17 without a Government Issued ID must be accompanied by a parent or guardian. Patrons who do not present a vaccination card and government issued id will not be allowed to enter the theatre. You may show the physical vaccination card or a photo of it on your phone.

Patrons under the age of 12 must be accompanied by a parent or guardian. All students must have their temperature checked & recorded prior to being admitted into the theatre. If any child has a temperature of 100.4 or higher, they will not be allowed to enter the theatre.

Hand sanitizer must be used by all (ours or your own) prior to entering the theatre.

Playhouse Theatre Group, Inc is a fully vaccinated company. All Playhouse on Park Staff, Actors, Musicians, Volunteers, Vendors, & Crew are required to be fully vaccinated.

Concessions will not be sold. Outside food & drink is not allowed. Water may be consumed in the lobby only.

****In order to be fully vaccinated you must be two weeks past your final vaccination***

The only exception to the above policies is:

Patrons who need reasonable accommodations due to a medical exception or a sincerely held religious belief.

Patrons who are not able to be vaccinated, for one of the reasons listed above, must provide, instead of evidence of vaccination, proof of one of the following: negative COVID-19 antigen test taken within 6 hours of the performance start time, or negative COVID-19 PCR test taken within 72 hours of the performance start time.
